

Special Circumstance Appeal – Dependent

Academic Year 2023-2024

According to federal laws and regulations, a family’s 2021 income is used to assess financial need for the 2023-2024 academic year. This appeal should be used by dependent students and their parents whose financial situation has changed and 2021 tax information does not accurately reflect the family’s current financial condition. This change may be due to loss of job, separation or divorce, disability, death, unusual expenses, or other circumstances. The Office of Financial Aid & Scholarships may be able to use the 2022 income or projected income to assess financial need. Please provide information regarding your reduction in income by completing this form. **Appeals must be submitted at least 2 weeks prior to the end of the semester to allow for processing.**
